

BROWN GLIER LAW

Collier O'Connor Attorney

Collier O'Connor focuses his practice on immigration law, bringing a unique blend of legal knowledge and practical experience to his role. Collier has experience with family based immigration petitions as well as employment based immigration petitions, with particularly strong experience handling National Interest Waiver cases.

Collier graduated with a Juris Doctor from Indiana University Robert H. McKinney School of Law, where he took coursework in Immigration Law and took part in an Immigration Clinic with Indiana Legal Services.

Prior to attending law school, Collier worked abroad in China, Vietnam and Russia, where he founded his own English language school, attracting over 200 students in its first year of existence.

An Indianapolis native, Collier holds an undergraduate degree in Political Science from the University of Notre Dame, and is a member of the American Immigration Lawyers Association (AILA). He is admitted to practice law in the state of Indiana.

In his free time, Collier likes to bike to work, travel (internationally, but anywhere will do!) and read the Harry Potter books with his daughter. Collier made a big impression his first week at Brown Glier Law when his team placed 2nd in our annual cornhole tournament.
